## INDEPENDENT AUDITORS' REPORT

### TO THE MEMBERS OF KILLARNEY COMMUNITY CENTRE SOCIETY

#### *Report on the Audit of the Financial Statements*

##### *Opinion*

We have audited the financial statements of Killarney Community Centre Society (the "Society"), which comprise:

- ♦ the statement of financial position as at April 30, 2024;
- ♦ the statement of revenues and expenses for the year then ended;
- ♦ the statement of changes in net assets for the year then ended;
- ♦ the statement of cash flows for the year then ended; and
- ♦ the notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Society as at April 30, 2024, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

##### *Basis for Opinion*

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Society in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

##### *Responsibilities of Management and Those Charged with Governance for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Society or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Society's financial reporting process.

##### *Auditors' Responsibilities for the Audit of the Financial Statements*

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- ♦ Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ♦ Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal control.
- ♦ Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- ♦ Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Society to cease to continue as a going concern.
- ♦ Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

### *Report on Other Legal and Regulatory Requirements*

As required by the *Societies Act* (British Columbia), we report that, in our opinion, the accounting principles in Canadian accounting standards for not-for-profit organizations have been applied on a basis consistent with that of the preceding year.

## Notes to Financial Statements

Year Ended April 30, 2024

---

### 1. OPERATIONS

Killarney Community Centre Society (the "Society") provides programs to meet the Killarney community's social and recreational needs. The Society was incorporated as a not-for-profit organization under the *Society Act* (British Columbia) and transitioned to the *Societies Act* (British Columbia). The Society is exempt from income taxes under section 149(1)(l) of the *Income Tax Act* (Canada).

The Joint Operating Agreement ("JOA") dated June 1, 1979 was replaced with a new JOA dated May 15, 2018. The JOA is with the Vancouver Parks Board (the "Parks Board") which grants the Society the rights to use and occupy the Jointly Operated Facilities and use of common spaces in the Community Centre. Under the agreement, the Society must obtain and make available to the public, information about community athletic, social, and cultural groups, and encourage the membership and participation of such groups in the Society and its board.

Killarney Foundation (the "Foundation") is a charitable organization established to raise funds for the Society. Certain members of the Society's board of directors are also board members of the Foundation.

### 2. SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Society were prepared in accordance with Canadian accounting standards for not-for-profit organizations ("ASNPO") and include the following significant accounting policies:

(a) Restricted funds and net assets

Invested in capital assets represents cumulative amounts spent on capital assets, net of amortization. The balance in this account is not available for spending.

Unrestricted net assets are used in general operations. All transactions are reported on the statements of revenues and expenses and changes in net assets.

Society gaming funds are subject to external gaming license restrictions. All transactions involving Society gaming funds are reported in schedule 2.

**2. SIGNIFICANT ACCOUNTING POLICIES (Continued)**

(a) Restricted funds and net assets (Continued)

The following internally restricted net assets are designated for specific purposes upon resolution by the board of directors:

- Fitness equipment replacement fund - for the purchase and maintenance of equipment for the fitness centre;
- Bus fund - for future purchase of a new bus;
- Seniors' Centre fund - for the operations of the Seniors' Centre;
- Concession furniture & equipment fund - for the purchase of equipment used for the concession stand;
- Outdoor table & seating fund - for the installation of concrete activity tables and seating outside of the community center;
- Reader board fund - for replacing the old reader board at 49<sup>th</sup> Avenue and Kerr Street;
- Fitness centre upgrade project fund - for the conversion of a room into a new fitness center;
- Outdoor fitness circuit/playground fund - for building a playground and installation of fitness circuit equipment;
- Senior center A/C equipment fund - for the future purchase and maintenance of A/C equipment; and
- Website development fund – for the development of a new website.

(b) Capital assets

The Society purchases equipment for use in the community centre. This equipment includes items that are not solely utilized directly by the Society, as they are for the facilities owned by the Parks Board. All such assets purchased are expensed as incurred.

All significant assets utilized by the Society are recorded at cost less accumulated amortization. Amortization is based on cost less residual value, and is calculated on a straight-line basis at the following estimated useful lives:

|                      |           |
|----------------------|-----------|
| Fitness equipment    | - 5 years |
| Concession equipment | - 5 years |
| Gym equipment        | - 5 years |

Website development costs are not amortized until it is ready for use.

| Concession equipment                                  | 5,734     | 27,910    |

(c) Revenue recognition

The Society recognizes revenue from its programs, fitness centre, bookkeeping, room rentals, concession stand, and vending machine and concession commission as they occur. Registration fees received for community centre programs occurring in the following fiscal year are recognized as unearned and presented as deferred revenue.

The Society follows the deferral method of accounting for contributions. Grants and subsidies not utilized in the year are deferred and included in revenues upon their use. Grants and subsidies received and utilized in the year are recognized as revenues.

Membership revenue is recognized in the period the membership is purchased.

Interest revenue is recognized based on the passage of time according to the terms of the instrument giving rise to the revenue.

(d) Contributed services

Volunteers contribute thousands of hours each year to assist the Society in carrying out its activities. Due to the difficulty of determining their fair value, contributed services are not recognized in these financial statements.

(e) Cash and cash equivalents

Cash and cash equivalents is comprised of cash and cashable term deposits with a maturity period of three months or less from the date of acquisition.

**2. SIGNIFICANT ACCOUNTING POLICIES (Continued)**

(f) Allocation of expenditures

Direct program expenses are accounted for in each particular program. General expenses for programs are not allocated to each program but are recorded in general operations.

(g) Use of estimates

The preparation of these financial statements in conformity with ASNPO requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Estimates include the useful lives of capital assets, collectability of accounts receivable, and accrued liabilities. While management believes these estimates are reasonable, actual results could differ from those estimates and could impact future results of operations and cash flows.

(h) Financial instruments

The Society initially measures its financial assets and liabilities at fair value, except for certain non-arm's length transactions.

The Society subsequently measures its financial assets and liabilities at amortized cost.

Financial assets measured at cost are tested for impairment when there are indicators of impairment. The amount of any write down would be recognized in excess of revenues over expenditures. In the event a previously recognized impairment loss should be reversed, the amount of the reversal is recognized in excess of revenues over expenditures provided it is not greater than the original amount prior to write down.

For any financial instrument that is measured at amortized cost, the instrument's cost is adjusted by the transaction costs that are directly attributable to their origination. These transaction costs are amortized into income on a straight-line basis over the term of the instrument. All other transaction costs are recognized in excess of revenues over expenditures in the period incurred.

Financial assets measured at amortized cost include cash and cash equivalents, Society Gaming Fund, and accounts receivable.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities and Society Gaming Fund.

The Society has not designated any financial assets or liabilities to be measured at fair value.

**2. SIGNIFICANT ACCOUNTING POLICIES (Continued)**

(i) Government assistance

Government assistance for wages and benefits received as a result of Government of Canada COVID-19 response programs is reported in the statement of revenues and expenses under grants and subsidies.

**3. FINANCIAL INSTRUMENTS**

(a) Liquidity risk

Liquidity risk is the risk that the Society will encounter difficulty in meeting obligations associated with financial liabilities.

The Society is exposed to this risk mainly in respect of its accounts payable and accrued liabilities. Cash flow from operations provides a substantial portion of the Society's cash requirements. Additional cash requirements are met with the use of the available reserves.

(b) Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation.

The Society is exposed to credit risk with respect to its cash and cash equivalents held at banks; however, this is minimized as cash and cash equivalents are placed with major Canadian financial institutions.

The Society is exposed to credit risk with respect to its accounts receivable; however, this is minimized by the Society's large user base.

(c) Interest rate risk

Interest rate risk consists of two components:

To the extent that prevailing interest rates differ from the interest rate on the Society's monetary assets and liabilities, the Society is exposed to interest price risk.

To the extent that payments made or received on the Society's monetary assets and liabilities are affected by changes in prevailing market interest rates, the Society is exposed to interest rate cash flow risk.

The Society is not exposed to significant interest rate risk due to the short-term maturity of its monetary assets and liabilities.
