President's Message

Fundraising is far more than simply raising money – it is about creating opportunities, strengthening community, and turning compassion into meaningful action. Every fundraiser, no matter the size, has the power to positively impact lives. Whether it helps provide affordable meals, supports neighbourhood programs, funds youth initiatives, or purchases much-needed equipment, fundraising allows us to continue building a stronger and more connected community.

At Killarney, fundraising is also about bringing people together. It unites volunteers, donors, staff, participants, and families around a shared purpose: helping others and creating something positive for our community. Through fundraising, people develop valuable life skills such as teamwork, leadership, communication, planning, and creativity. For youth, it builds confidence and encourages community involvement. For seniors, it creates opportunities for connection, contribution, and joy.

Fundraising also shines a light on important causes.

This past year, Killarney proudly hosted our Zumba for a Cure event in support of the BC Cancer Foundation. Thanks to the incredible generosity of our community, along with support from the Killarney Foundation and Scotiabank, we raised approximately \$13,000 to help support cancer research and care. We also partnered with Urban Impact to help fund free special events for our community. Our seniors continue to inspire us through their annual choir fundraiser, sharing music and happiness with audiences

while supporting programs they care deeply about. Throughout the year, our youth contribute through donut sales, yogurt cup fundraisers, and badminton tournaments that encourage teamwork and community spirit.

The impact of fundraising reaches far beyond the dollars raised. One successful campaign can inspire others to give back, volunteer, and become more engaged in their community. It creates a ripple effect of kindness, generosity, and hope.

Giving also benefits the giver. Studies continue to show that people who donate their time or resources often feel a stronger sense of purpose, connection, and fulfillment. Fundraising reminds us that when a community comes together, even small acts can create meaningful change.

As we move forward, I encourage everyone to see fundraising not as an obligation, but as an opportunity – an opportunity to help others, strengthen our community, and make a lasting difference.

Thank you for your generosity, your support, and your continued belief in the power of community.

June Yee, President

Don't be disappointed

Great courses with excellent instructors sometimes get cancelled because people wait until the last minute to register.

Courses are based on a minimum number of registrants so the course can recover costs.

If you wait and we don't make the minimum you may never see that course again.

Please Register Early!! We give full refunds for all cancelled classes.

Killarney Billiards/Pool Schedule

Welcome to the Killarney Billiards Area! Play pool and foosball with your friends after school! Here are some guidelines for when in the lounge area: Write your name down on the sign-up sheet to secure your turn to play on a rotation basis when others are waiting for a turn to play. Patrons can borrow pool cues and balls at the front desk. Please keep the space tidy and return the equipment to the front desk. Please use appropriate and respectful language, respect the equipment, respect direction from Killarney staff and be kind to other patrons. All players must be 12yrs or older. Please dress for the weather. Guide dogs and Service Dogs welcomed.

The neighbourhood between Argyle and Elliott Streets was Canada's largest, detached-home, social housing project when the federal government completed it in 1953. The Canada Mortgage and Housing Corporation had hastily assembled 1,100 "apple box houses" across the city's south slope on elegantly curving streets. The homes were rented to WW II veterans and their baby-booming families. The social experiment was largely a success, but there were some messy missteps. Join South Van'er, Rob Howatson for a deep dive into Fraserview's blue collar past.

Prevent "Code Brown"!

Pool fouling is disruptive and may cut your swim short. Please help us avoid preventable closures by:

- ✓ Put your child in a fitted swim diaper until fully trained
- ✓ Take regular bathroom breaks and check diapers frequently
- ✓ Swim only when healthy; please stay home when sick or suffering from diarrhea

We're all in it together!

Please shower before entering the pool.

- ✓ Showering removes lotions, make-up, deodorants, antiperspirants, sweat, dirt, hair products and more
- ✓ Clean water saves money: we use less replacement water, save energy and reduce chlorine needs.

Our Amenities include:

- ✓ UV Treated Water
- ✓ Accessible Ramp Entry
- ✓ 1-metre Diving Board
- ✓ Giant Water Slide*
- ✓ Spray Features*
- ✓ Whirlpool
- ✓ Accessible Changing Room
